

Britton Springs Corrals - Public Visitation Hours

During the 2012 Pryor Mountain Wild Horse Range bait trap gather, Britton Springs Corrals will be open to the public to view the wild horses that have been removed from the range. Excess horses are being removed from the range to ensure the health of the wild horse herd and the rangeland on which they live. All the removed horses will be offered for adoption at a later date still to be determined. For daily updates on the gather and our adoption program, please visit the BLM website at <http://blm.gov/08jd> or call 1-866-4MUSTANGS.

Please note: Britton Springs is a federally managed administrative site. Public access is only allowed when a federal employee is present.
